

believes is under consideration, are attached to complete the records. It is submitted that the attached claims are taken from the previous amendment filed March 26, 2007.

Pending Rejection

It is noted from the Office Action mailed on June 14, 2007 that the only outstanding rejection in the present application is the Double Patenting rejection which is now overcome by the Terminal Disclaimer concurrently filed herewith. It is also noted that presently there is no other unresolved outstanding rejection applicable either to the claims 1-7 as on file or the text as on file.

Remarks

The Examiner is thanked for providing an opportunity to the applicant to continue the prosecution on this case. Attached is a Terminal Disclaimer together with the required fee of \$ 65 for a small entity.

The undersigned may be reached at **215 661 1140** if any further minor amendments would assist in expediting the prosecution to completion.

Respectfully submitted.
